We are structured as a perpetual-life, non-exchange traded REIT. This means that, subject to regulatory approval of our filing for additional offerings, we will be selling shares of our common stock on a continuous basis and for an indefinite period of time. We will endeavor to take all reasonable actions to avoid interruptions in the continuous offering of our shares of common stock. There can be no assurance, however, that we will not need to suspend our continuous offering. The offering must be registered in every state in which we offer or sell shares. Generally, such registrations are for a period of one year. Thus, we may have to stop selling shares in any state in which our registration is not renewed or otherwise extended annually. We reserve the right to terminate this offering as well as to renew, extend or terminate registration at any time.
